COMMUNITY DEVELOPMENT FINANCE AUTHORITY

The Community Development Finance Authority (CDFA) is a statewide nonprofit public authority focused on maximizing the value and impact of community development, economic development and clean energy initiatives throughout New Hampshire. The organization leverages a variety of financial and technical resources, including the competitive deployment of grant, loan and equity programs.

CDFA'S VISION & MISSION

CDFA envisions New Hampshire's future with economically and socially resilient communities that reflect and respect their natural surroundings and represent places where people want to live and work. In working towards this vision, CDFA invests in the people of New Hampshire by:

- Enabling its partners to make transformational and sustainable changes;
- Meeting the evolving needs of New Hampshire communities;
- Deploying a well-tuned, effective investment system which directly impacts local communities; and
- Taking an innovative and collaborative approach to development finance.

PROGRAM OVERVIEW

The Economic Development Capacity Program is a subset of CDFA's Tax Credit Program, which designates a maximum of \$250,000 in resources to assist nonprofit organizations that have, as a primary goal, the objective to foster and encourage economic development. The program enables these organizations fulfill their missions by recognizing the important role of organizational capacity in encouraging economic development.

Grants made to eligible projects are in the form of tax equity and serve as a powerful fundraising tool. Businesses with New Hampshire tax liability support awarded projects by purchasing the credits resulting in the nonprofit receiving a donation and the company receiving a 75 percent New Hampshire state tax credit against that contribution. The credit can be applied against the Business Profits Tax, Business Enterprise Tax or Insurance Premium Tax. The donation may also be eligible for treatment as a state and federal charitable contribution.

CDFA's founding legislation and authority to administer the Tax Credit Program is [New Hampshire RSA 162-L](#).

PROGRAM OBJECTIVES

The Economic Development Capacity Program focuses on enabling regional development corporations to sustain themselves by developing sufficient capacity through the development of:

- Strategically engaged boards of directors,
- Comprehensive leadership; and
- Development of sound strategic and business plans.

Awards will support regional development corporations that develop significant projects which in-turn create permanent full-time jobs, foster community economic development and economic activity that generates sufficient operating income to ensure organizational stability.

PROGRAM ELIGIBILITY

Eligible applicants include nonprofit regional economic development corporations that sold at least 50% of their FY2018 award and completed the FY2018 year to date report. The FY2018 year-to-date report is a final status report completed in CDFA's Grants Management System no later than April 10, 2018.

Applications under this set-aside are limited to New Hampshire-based Regional Development Corporations, defined as an organization that:

- Is incorporated for the primary purpose of providing economic development services to an area covering at least three municipalities;
- Administers a revolving loan fund;
- Is not an agency or instrumentality of the grantee or grantees;
- Has equal membership on its representative body available to each of the municipalities in its chartered area and elects its governing board by vote of its membership;
- Has the power to fill vacancies which arise on its governing body with its own nominees, approved by the membership of its governing body;
- Is not subject to requirements under which its assets revert to the grantee upon dissolution;
- Is free to contract for goods and services from vendors of its own choosing;
- Is registered with the New Hampshire Secretary of State as a not for profit organization; and
- Is a current member of the New Hampshire Alliance of Regional Development Corporations, Inc.

Eligible Regional Development Corporations may apply for either the Economic Development Capacity Program or L5 Capacity Building Program, but not both.

PROGRAM GUIDELINES

All applicants are subjected to a substantial programmatic and financial review. Among other requirements, projects must provide a public benefit and demonstrate that similar funding was not otherwise available. A project is considered based on its own merits and as it compares to the other applicants in the same grant round.

CDFA will review applicants and award funds based upon the goals, measurable objectives, activities, evaluation of all components of the proposal and organizational need. CDFA welcomes proposals that will result in revenue that can be used to improve the long-term sustainability of the organization.

AVAILABLE FUNDING

CDFA will designate a maximum of \$250,000 per year in available tax credits for the Economic Development Capacity Program. Applicants are eligible to request up to \$25,000 in funding.

ACCEPTABLE USE OF FUNDS

CDFA is looking for projects that the organizations will develop that will result in revenue that can be used to improve the long-term sustainability of the organization. While CDFA intends for this program to be flexible, the organization is interested in seeing proposals that reflect active economic development activity. CDFA requires that organizations invest in staff training and board development.

Capacity funding to assist organizational development, economic development planning, community education, financial planning or packaging, the development of grant or other applications, market research, business plan development or review, management training, and such accounting and legal services as may be necessary to enhance or render effective any of the foregoing.

Eligible costs include costs incurred for such planning, feasibility or other studies, consultants, technical assistance or educational or publicity programs.

NETWORK ENGAGEMENT

All grantees will be required to attend economic development network meetings sponsored by the RDC Alliance. This network will serve as a catalyst by which organizations will use each other's experiences to undertake strategic planning, strengthen financing and management skills, and to tap the resources of the community. Levels of attendance and participation in this network will be considered in future funding decisions.

LONG-TERM PLANNING

CDFA places priority on partnering with organizations engaging in regular long-term operational and financial planning. Such planning should be conducted with the full knowledge, support and participation of the organization's Board of Directors.

Applications for funding under this program must include an organizational mission statement accompanied by strategic goals (submit a current strategic plan if one is available), and a three-year business plan based on the strategic goals/plan with financial projections, including realistic measurable objectives defined in work plans to be met during each of those three years. Plans are to be developed with and approved by the organization's board of directors.

CDFA, as a part of this request, will consider the extent to which these goals and objectives have been met during previous CDFA funded grants. Updated business/ work plans must be submitted with every funding application. No application will be accepted by CDFA without these required plans.

10% OF AWARD REQUIREMENT: TRAINING AND TECHNICAL ASSISTANCE

A critical component to developing a meaningful strategic plan, establishing organizational goals, and sustaining a strong and vested Board of Directors is the need to have the financial capability to access appropriate practitioners and provide appropriate training to board and staff. Therefore, up to \$2,500 of an award shall be dedicated to this activity.

Applicants will need to include a plan, which will include goals, measurable objectives, activities and an evaluation component to access these funds. An applicant that does not believe training is necessary for the successful completion of their strategic goals may apply for a waiver from this requirement.

HOW TO APPLY

All applications must be completed and submitted on CDFA'S Grants Management System (www.nhcdfragrants.org). The application requires details on the specific project, to what extent it aligns with the objectives outlined New Hampshire RSA 162-L, and information that will help determine the applicants' capacity to complete a successful project. All applicants will be subjected to substantial programmatic and financial review.

An outline of CDFA's Economic Development Capacity Program application and templates for required attachments can be found in Appendices A, B and C of this document. Information on using CDFA's Grants Management System can be found in Appendices D and E of this document.

APPENDIX E: TIPS FOR USING CDFA'S GRANTS MANAGEMENT SYSTEM

These tips are designed to help guide you while using CDFA's online grants management system (GMS) at www.nhcdfragrants.org. If you encounter any problems, please don't hesitate to contact CDFA at 603-226-2170.

- 1) The best browsers to use are Mozilla Firefox or Google Chrome.
- 2) To edit a component click "edit" near the top of the form. Fields and text boxes will open for you to answer the question(s). Be sure to click on Save after answering questions.
- 3) You can copy and paste from a Word document to a question in GMS. Use the "Paste from Word" feature in each text box banner to avoid copying hidden characters.
- 4) To add a required document, click on the green plus sign to the right of the document. You will then be prompted to browse and attach a file.
- 5) Only attach .pdf or .jpeg documents. If you don't have Adobe software you can use cutewriter to PDF any document. You can download cutewriter software at www.cutepdf.com.
- 6) If you mark a component complete you can still edit that component until the application is submitted, however, you can't submit your application until all components are marked complete.
- 7) Once you click submit your application will be submitted for review and is only accessible through negotiation. If there is information missing or that needs to be corrected, the respective component(s) will be negotiated back to you for correction.
- 8) After the corrections are made, you must submit the component(s) back to CDFA for review.
- 9) If multiple questions in one component are required fields, you can save the component without answering all of the questions by adding at least one (1) character to each of the required boxes and save. Remember to return and answer these questions before the application is submitted.
- 10) Be sure to "Save" early and often.
- 11) The system will "time out" after three (3) hours of inactivity.
- 12) If you click the back button before you click save your information will be lost.
- 13) Before submitting your application we recommend that you preview your application, print to PDF and save it to your computer.
