

VISION, MISSION & VALUES

July 11, 2017

VISION We see New Hampshire's future with economically and socially resilient communities that reflect and respect their natural surroundings and represent places where people want to live and work.

MISSION CDFA invests in the people of NH by:

- Enabling its partners to make transformational and sustainable changes;
- Meeting the evolving needs of New Hampshire communities;
- Deploying a well-tuned, effective investment system which directly impacts local communities; and
- Taking an innovative and collaborative approach to development finance.

VALUES

Integrity We believe transparency and accountability provides confidence in our administrative systems and governance.

Collaboration We believe in strong partnerships that enable the successful delivery of critical resources.

Adaptability We believe in a balance of technical expertise, foundational experience and pragmatic innovation to address challenges.

Respect We believe in being approachable, responsive and courteous.

Focus We believe in deploying resources in a manner that delivers the greatest impact.

Prosperity We believe in creating resilient communities and empowering increased access to and participation in the New Hampshire economy.
