Layoffs and business closures: If your business faces a potential layoff, the State of New Hampshire offers services through its **Rapid Response program**. Rapid Response is a comprehensive, collaborative and immediate initiative to respond to and mitigate layoffs and closures. Rapid Response benefits both employers and employees through services to workers who are laid off, as well as layoff aversion information for businesses.

Employers facing potential layoffs or closures should contact Joe Doiron at [Joseph.Doiron@livefree.nh.gov](mailto:Joseph.Doiron@livefree.nh.gov), 603-271-0146, to activate a Rapid Response team. More information can be found at [nhworks.org](http://nhworks.org).
Employees experiencing layoffs: The State of New Hampshire offers a number of services for employees who have been laid off. New Hampshire Employment Security, [nhes.nh.gov](http://nhes.nh.gov), has a list of available services. Individuals will need to file for unemployment each week of temporary unemployment and this can and should be done online or by calling 603-271-7700.

SELA SHARED SERVICES EMERGENCY RESPONSE & RECOVERY TEAM

To take the burden off child care programs, Early Learning NH will deploy its shared service approach - an economy of scale model that benefits child care programs, staff and families - to coordinate cleaning, needed supplies and its direct $ cost savings.

The partners in the shared services approach are:

- Howard Brodsky, CCA Global Partners
- Lou Gargiulo, Great North Property Management

Email info@earlylearningnh.org or call 226-7600
EMERGENCY RESPONSE

Stand up new services and supplies needed for child care programs to operate

• Secure storage and distribution of needed extra supplies during COVID-19, such as bleach, thermometers, other identified supplies, etc.

• Identify and match available cleaning supplies from closed entities, including colleges, restaurants, etc., directly to a child care program

• Identify and match cleaning companies normally serving these restaurants, colleges, etc., who may large companies, etc.

• Provide TA and support to help negotiate needed lease or mortgage relief

• Provide TA and support on accessing $ from state, federal and community aid

• Open up the SELA web platform to all licensed child care programs

RECOVERY

ASAP, leverage the current shared services benefits to realize savings to child care programs’ operating budgets, to their workforce and to the families they serve
